

Bus Information

Since Ranger Mark & his family are the only ones that live at camp, we provide bus transportation with centralized stops throughout Mercer and Middlesex counties for your convenience. A Camp Oak Spring Staff member or volunteer will be present on each bus at all times.

As traffic patterns are unpredictable, please allow a 15-minute leeway for busses. It is strongly recommended you arrive at least 15 minutes prior to morning pick-up. In the afternoon, if a parent or approved pick-up person is not in attendance, busses will wait 10 minutes before moving onto the next stop. No child will be left unsupervised.

Anyone who is picking up a camper must present an ID that matches our list of approved pick-up people. This list will be pulled directly from the emergency contacts in CampDoc. If you need to change or adjust your list of approved pick-up people at any time, please contact our Camp Admin Team at campoakspring@gscsnj.org. Any questions prior to camp season, please reach out to Amanda, Camp Oak Spring Director, at akelly@gscsnj.org.
